Mountain Bakes · Mobile redesign 2026 · Midnight & Saffron · Urbanist

# Design System · v2

**Midnight & Saffron**

Cool mist surfaces with deep midnight hero cards. A saffron gradient marks the one action that matters on each screen, with a soft glow so it reads at a glance.

**Graphical buttons**

Primary buttons are gradient pills with a glow and an arrow badge. Secondary buttons are white with a light shadow. The tab bar floats and shows the active tab as a lit-up chip.

**One hand, one thumb**

52px fields and buttons, 44px+ touch targets, primary actions pinned to the bottom. Forms open as bottom sheets so the list stays in view.
